

**CURRICULUM VITAE
OF
Dr. SURENDRA P. BHATNAGAR**
C.Chem., (London). FRSC, FNASc.,
Fellow of New York Academy Science, USA

NAME : Surendra Prasad Bhatnagar

DATE & PLACE OF BIRTH : February 13, 1941
Saharanpur (Uttar Pradesh, India)

MARITAL STATUS : Married

PRESENT ADDRESS : **Dr. Surendra P. Bhatnagar**
205, "Krishnaji" 2nd Floor
3rd Main, Defence Colony,
Indiranagar, Bangalore - 560 038

Phone Numbers : (Home) +91 80 - 25283864 / 25259819
(Work) +91 80 – 25255406 / 25255294
(Fax) +91 80 – 25289159
(Mobile) +91 98450 47491

E-mail ID : (Work) : techdry@airtelmail.in
: (Personal) : surendra@blr.vsnl.net.in

ACADEMIC BACKGROUND

1976 : Principles of Management for Scientist & Administrators (Grade A) organised by the Foundation for Advanced Education in Science, Govt. of the United States of America.

1967 : Ph.D Organic Chemistry from Aligarh Muslim, University.

1967 : Proficiency in German Language from Aligarh Muslim University.

1962 : M.Sc. Organic Chemistry (1st Class) from Aligarh Muslim University

An Insight into Overall Experience

Industrial Experience

- Set up Six Industries and 5 R & D Centres

Research Experience

- Natural Products Chemistry, Synthetic Organic Chemistry, Drugs and Pharmaceuticals, Bio-Organic Chemistry, Industrial Chemistry, Flavours and Fragrances, General / Production Management.

Nov. 1992 to date

- Consultancy in the field of fine chemicals, Drugs & Pharmaceuticals, flavours & fragrances & Herbal Products to Indian and International Companies., alternative medicines.
- Managing Director of a Joint Venture with an Australian company in the field of Building Protection Chemicals.
- Represent Several U.S & European Companies.

Oct. 1987 to Nov. 1992

- Chemicals and plastics India Limited – a well known Chemical company based in Madras
- Joined as Vice President (Fine Chemicals Divn) at Bangalore. Promoted to Senior Vice President in 1989

Promoted to President in 1991

Negotiated, Planned and Executed Joint Venture Company, Drachem Speciality Chemicals Ltd., In Technical and Financial Collaboration with Dragoco Gerberding & Co. Gmbh, Holzminden, FRG, a World Leader in the field of Aroma Chemicals/Flavours/Fragrances.

Director on the Board of Drachem

- Planned and Negotiated with a world Leader to set up a Joint Venture in the field of Pharmaceuticals and Bulk Drugs
- Also Headed its Trading Wing
- Set up a Creative and Production Unit for Flavours and Fragrances and took it into Commercial Production.

Nov. 1979 to Oct 1987: Reckitt & Colman of India Ltd., A Multinational Co.,

- General Manager (Chemicals Division)
- Organised and set up a new Research Centre for the Company in the field of Pharmaceuticals and Fine Chemicals.
- A Chemicals Plant to produce Specialty

- Chemicals was set up and during my tenure this unit was able to introduce 8 perfumery Chemicals in the market.
- A Multipurpose Chemical Plant was conceptualised and commissioned and completing and Basic and Detailed Engineering in-house. The Technology for Drugs and Aromatic Chemicals was transferred without any major problems. The plant functioned under my direct control with Profit Centre responsibility.

1977 to Oct. 1979 : Government Opium and Alkaloid Works undertaking, Neemuch (Madhya Pradesh) – Ministry of Finance Government of India

- Profit Centre responsibility for both (a) Opium and (b) Alkaloid Factories
- Work included General Management, Production, Sales, Marketing and Research
- During this period production, Sales and Profits improved.
- Production, Sales, Marketing and Research
- During this period production, Sales and Profits improved.
- No serious industrial problem

1967 to 1971 : Central Research Lab, Antibiotics Plant, IDPL Rishikesh

- Post Doctoral Research Associate First Production Management Assignment
- Was also responsible for associated Research Work.
- Fundamental/Commercial Research

1975 to 1977 : National Institutes of Health Bethesda, Maryland U. S. A

- Visiting Scientist Fundamental and Industrial Research

1974 to 1975 : Department of chemistry Cornell University, U.S.A

- Research Associate Fundamental and Industrial Research

1971 to 1972 : Indian Institute of Science Bangalore

- Senior Research Associate

Forest Research Lab Bangalore Section

- Group leader for the Organic Chemistry

Professional Associations

1. Fellow of the Royal Society of Chemistry (FRSC)
2. C.Chem (London), Chemical Society, England
3. American Chemical Society
4. Division of Medicinal Chemistry, American Chemical Society
5. Fellow of the National Academy of Sciences, Allahabad (FNASc.)

Publications

26 Research Publications in National and International Journals.

35 Patents in the field of Pharmaceuticals and Aroma Chemicals.
